Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Saturday 24 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and dry with plenty of sunshine.

Today:
Low cloud clears leading to a dry and sunny day. It will feel very warm inland, but cooler nearer the coast where a sea breeze develops. Maximum temperature 26 deg C (79 deg F).

Tonight:
Remaining dry this evening with plenty of late sunshine. Skies will remain clear overnight and it will feel warm and humid. Minimum temperature 10 deg C (50 deg F).

Sunday:
A rather cloudy start on Sunday morning with cloud gradually breaking during the day to give plenty of sunny spells. Staying dry and feeling warm. Maximum temperature 24 deg C (75 deg F).

Outlook for Monday to Wednesday:
Dry start to Monday though potentially some heavy showers breaking out later. Turning more unsettled with outbreaks of rain and heavy thundery showers on Tuesday and Wednesday.
